## WALLABY LANE Book Launch with Maya Linnell
### Tuesday 4 June at 10 am

Featuring Penwarra's 100th Show, a one-eyed goat and a galah named Gary, Wallaby Lane is the delightful new novel from Maya Linnell.

Join us for a morning of fun and laughs as we enjoy an In Conversation event with a local favourite. If, like us, you adore Maya's gorgeous rural fiction, written from the heart by a writer who lives and loves the rural lifestyle, come along and catch Maya in Warrnambool for the last time before she relocates interstate.

Supported by event bookseller - Collins Booksellers Warrnambool. You can purchase copies of Wallaby Lane from Collins at the event.

*Register to attend on the Library website.*

## EXPLORING OUR PAST - Early Photography in Warrnambool
### Wednesday 19 June at 2 pm
### Bookings required

Please note different time for June.
Warrnambool had its beginnings at a time when photography was emerging as an exciting new invention. This session will feature the work of some of the early adopters of the new technology in our town.

## In Conversation with Narrelle M. Harris
### Saturday 22 June at 2 pm
### Bookings required

Imagine Sherlock Holmes as a woman. That idea comes to life in "Sherlock is a Girl's Name," an anthology of bold new stories featuring the famous detective duo. Join us for an In Conversation event with co-editor and Sherlockian writer Narrelle M. Harris, who will discuss how Sherlock and Dr. Watson solve mysteries from Victorian London to contemporary USA.
**Books will be available for purchase at the event.**

## *New Program* FAMILY CODE CLUB
### Fridays at 4 pm
### Bookings required

Family Code Club is a weekly time when families can come together and learn how to make websites, video games and apps. It's informal, fun and very interactive. Come have fun, make friends, and build cool stuff with us! You are welcome to bring your own devices as long as they can connect to the internet. We meet every Friday at 4pm in the Reading Room. No coding experience required!
