## Lego Challenge

Monday 23rd September 3.30pm

Join us for a splashin' good time building LEGO water vehicles! Dip into your creativity and construct boats, submarines, surfboards. Bring your imagination and your love for all things LEGO.

Suitable for the whole family

Bookings not required

## Hydrogen Mobility with Hycel Tuesday

24th September 10.30am, 12pm,  
3.30pm

Join Deakin University's Hycel and discover the fascinating world of hydrogen fuel cells and sustainable mobility. Build your own water-powered model vehicle using a fuel cell car kit. Experience the thrill of assembling and racing these eco-friendly model cars, powered by the latest in hydrogen technology.

Suitable for ages 8+

Bookings required

## Water Explorers with Wannan Water

Wednesday 25th September 10.30am

Put your science skills to the test in this hands-on activity where you'll filter raw water to meet drinking quality standards. Gain practical experience in changing a leaky tap washer in this informative session. Participate in a fun and interactive game that teaches important concepts about water conservation.

Suitable for ages 8+

Booking required

## Lego Challenge

Monday 30th September 3.30pm

Let your imagination run wild and bring your love for LEGO to life as we embark on an underwater adventure! Build enchanting marine scenes, from dazzling fish and lush seaweed to hidden treasure caves and mystical underwater kingdoms. What will you create?

Suitable for the whole family

Bookings not required

## Seaweed Safari with Deakin Seaweed

Tuesday 1st October 10am

Join us for a fun-filled day of discovery where kids will learn about the amazing world of seaweed and its many secrets. Through hands-on activities and creative crafts, children will uncover the different types of seaweed, their importance to marine ecosystems, and how they are used in everyday life.

Suitable for the whole family

Bookings required

## Kids Free to Move Yoga With Dani

Wednesday 2nd October 10am

Plunge into this ocean-inspired yoga session. Ride a wave like a warrior, float and bobble like a jellyfish then rest to the sounds of the deep sea all in the peaceful setting of the library. Parents and carers are also welcome to drift through the shapes with their little people and gain the benefits of a good stretch.

Suitable for the whole family

Bookings required

## Water Explorers with Wannan Water

Wednesday 2nd October 3.30pm

Put your science skills to the test in this hands-on activity where you'll filter raw water to meet drinking quality standards. Gain practical experience in changing a leaky tap washer in this informative session. Participate in a fun and interactive game that teaches important concepts about water conservation.

Suitable for ages 8+

Booking required

## In The Rockpool Jigsaw Puzzle Art

Thursday 3rd October 3.30pm

Piece by piece as a team you will replicate a beautiful scene from the picture book, In the Rockpool by Andrea Rowe and Hannah Sommerville onto large puzzle pieces, each one bringing you closer to the final, magnificent oceanic vista.

Suitable for ages 6+

Bookings required

## Our Toddler Time, Baby Rhyme

Time, and Family Code Club will run at their regular times.

We ask that a parent or guardian stay with their children during our programs.

Head to our website for full program information and to book.
