Readers Rendezvous

A bookish afternoon sharing good reads and great conversation

This special event is an opportunity for readers and booklovers to join us for the afternoon to discover all that the library has to offer to support and encourage our reading community.

Enjoy light refreshments as you learn more about the library's new book club sets and readers advisory resources and mix and mingle with other readers and book club members and let us know what books you'd like us to add to our list!

For those who love to read and those who love to talk about what they've read, this event is for you.

Book your spot now!
